"PRESSED" BOARD FOLDERS:

Tough, heavyweight folders resist wear and tear for bulky, heavily used files.

Durable 28pt "Pressed Board" with sturdy Tyvek® gusset.

Choose from End tab or Top tab.

End tab allows for color coded adhesive labels
to be applied for easy retrieval.

Available sizes: *LETTER*

Available in a variety of colours:

Red, **Blue**, Yellow, **Turquoise**, White, **Lt Green**, Dk Green

Tough "Pressed" board is the right choice for heavily-used files. Accordion-pleat Tyvek gusset
expands to hold up to 1", 2", or 3" of material.

Add pockets, dividers and/or Heatseal fasteners.

Sturdy dividers with fasteners on both sides let you store information
under several subdivision in a single folder.

Spring Arch fasteners are hard-wearing to give years of service. They allows you to turn and
read the pages easily without snagging. You may add/remove pages while keeping pages in order.

INTERIOR FOLDERS:

Interior Folders were designed to organize your documents by sub filing. It enables you to have quicker access to those files within a file by using multi-colored Interior folders to categorize your documents. (Correspondence - blue file, Medical Reports - red file, Original copies - tan file),

Interior Folders make transporting files so much easier. Instead of carrying heavy bulky files, simply place only those documents required inside and go. Space is provided on the Top Tab for labeling files with a Title/Cross Reference. As well, additional space is also provided on the inside cover for notes/comments.

5 COLORS TO CHOOSE FROM: *Tan, Yellow, Blue, Green, Red*

11 PT(143#), 1/2 Cut Top Tab, Printed inside cover.
100% acid free, archival quality, virtually lignin free.
100% recyclable, 10% post consumer recycled content.
